

The Limes Surgery Medical Centre's friends and family results for February 2024

At The Limes, we think it is important to gain feedback from our patients.

After every appointment we send out a text message asking our patient's for feedback on our service.

Out of 137 responses in February, our findings have been:

87% rated us good or very good

9% rated us neither or didn't know

4% rated us poor or very poor

Some of the feedback received:

“Extremely likely that why good staff attitude experience staff and care staff doctors is very friendly talk to him I recommend the people join the lime surgery....thanks”

We are always grateful for feedback, especially positive, and would like to thank those who completed our questionnaire and encourage people to continue to help us improve our service.
